

The Director of Central Intelligence

Approved For Release 2005/03/01 : CIA-RDP80B01554R003300170006-6

28 February 1980

Dear Don,

Please accept my gratitude for your hosting such a stimulating evening at the Metropolitan Club.

As the United States draws itself more into the utilization of economic leverage as a tool of diplomacy, I believe that a greater understanding of economic pressure points will be fundamental to the effectiveness of such diplomacy. I therefore found the exchange in this area most useful.

Yours,

STANSFIELD TURNER

Mr. J. Donald Rauth
Chairman and Chief Executive
Officer
Martin Marietta Corporation
